-WHEELING, VA:-

881 T. WEDNESDAY MORNING, APRIL 6, 1853.

TJUDGE BROCKENBROUGH and the officers of his Court arrived in this city yesterday from Clarksburgh, where the U. S. District Court has just burgh, where the U. S. District of Senator Mason, who was recently appointed Marshall by the Fillmore administration, is still in office. It the example of the late Whig Administration, which retained Mr. Points in office, be worthy o imitation, Mr. Ambler should not be removed.

"The Morning Mail"

Is the name of a very neat daily which take the place of the Richmond Republican. Edited by Oliver P. Baldwin and C. A. Rose, James W. Lew ellen, assistant editor. We wish the Mail tha abundant success which the merits of its conductors deserve.

Philadelphia and Pittsburgh. The Philadelphia Bullitin contains the following rich comments on the present nervous condition of

Pittsburgh. The Journal denominates these remarks "a queer specimen of mental hallucina tion." If they be such, there are a great many persons now laboring under mental hallucination A Case of Insanity .- The city of Pittsburgh is subject, just now, for an insane asylum. monomania is a horrid, agonizing suspicion of Philadelphia. It labors under a delusion that there is a conspiracy among the half million of men, women and children of this metropolis to stop its supplies, to cut off its communications, to throw cold water on its furnace fires, and to destroy by some infernal machine the fair prospects of its energetic adolence. A mention of the Hempfield Railroad throws it into a panic, and an advertise ment in a late Bulletin, in which the name of Hon. George Darsie was pronounded rather irreverently, has given it a convulsion, the spasms of which show fearfully in several of its journals. Now, we had no idea that Mr. Darsie was such a hero or was likely to be, such a sublime martyr as he is announced to be by those feverish newspapers, but we are willing to take their word for it, and while we cannot entirely control the cpinions of advertisers, we shall not say a word, editorially, to degrade him from his present pedestal. But we are getting seriors y alarmed about Pittsburgh. Her head is manifestly turning fast, and unless there is an Insane Hospital for deranged cities established soon or, the Monongahela, there will be no salvation for her disordered intellects, what ever may become of her coal, iron and smoke. ! moral sussion will not convince her that Philadel ph a ; s not wholly and solely bent upon her desruction, we suggest shaving her head, cold appli catians, blood-letting, and a straight jacket.

IFA telegraphic dispatch from Maysville, to J B. McLLVAINE, of Louisville, states that on Tues day last Gen. Thomas Marshall, of Lewis county Ky., was shot by one of his tenants, named Ty LER. Gen. Marshall represented Lewis county for several years in the Legislature, and was Brigadier General in the late war with Mexico.

DEATH OF MRS CASS .- We had scarcely announced the death of the wife of ex-President Fillmore, ere we received the intelli gence of the death of Mrs. Cass, which we an nounced some days ago by telegraph. Mrs. C. was universally esteemed and honored, and the sympathies of a nation are extended to the distinguished Senator from Michigan in his sad bereave

Suppen Death .- A lady named Mrs. Selden residing in Altegheny City, while walking with her child on Federal street, on Saturday afternoon was suddenly attacked by an apoplectic fit, and instantly fell to the ground. Before assistance could be rendered, life was extinct. The body of the deceased was conveyed to the home of he husband, Mr. Selden. Mr. S. is proprietor of a store on the corner of Federal and Lacock streets,

TT The New York Times publishes a letter from Washington, which states that the old war upor Col. Benton has been renewed at Washington, and that two of his associates in Congress, who have hith: rt. been Benton mec, have gone over to the enemy, and decline to unite with him in reccommending appointments for office to the President. This looks like a regularly organized war between Col. Benton and the new Administration. It is By regarded in Missouri.

THE OHIO BANK TAX LAW .- The warfare be tween the Ohio State authorities and the Ohio banks, relative to the bank tax, which the banks declare to be illegal, was commenced at Cleveland on Saturday. The Treasurer of Cuyahoga county opened the vaults of the City Bank, and seized the amount of the taxes due. The keys were pur posely left where he could get them. The amount destrained was \$39,000. I. G. Deshler, of But falo, to whom the bank and previously assigned its interest in the money, caused it to be immediately repleyined. The question will now be tested by the United States Court. The banks declare that the law is intended to destroy them, and that they will wind up their affairs if the United States Court decides against them.

New Tea .- The Pittsburgh Dispatch says gentleman there on opening a box of tea, discovered that it contained a number of packages, done up in Chinese paper, which proved to be heavy cakes of clay-real Chinese-the whole, with the wrapping, filling a bashel measure, and weighing just seventeen pounds. As the tea is such as sells at fifty-six cents a pound, wholesale, it was a good price for clay. Mr. G. intends, writing to the party from whom he purchased in New York, and as the true name of packers of the chest is said to be placed on each one, it is not improbable that the fraud may be traced from Pittsburgh to China, and to the real culprit there.

ROSBERY. A man named C. H. Smith was arrested Thursday in Cincinnati for robbing a bankming house in Cleveland, of \$3,00 , under the tollowinn circumstances:-A man named Rye, a wool dealer in Troy, N. Y., sent a letter to a gentleman in the former city, who was his agent, and who bore the same name with the prisoner, containing a check on the above named banking house, for the sum named. This letter was taken out of the post office by Smith, who, taking advantage of its contents, drew the money and went to Cincinnati with the intention of going South. He was taken back to Cleveland. \$2,750 of the money has been recovered.

Two MEN DROW . ED .- On the last upward trip of the Royal Arch from St. Louis, she landed a Mt. Vernon, Ind., when a deck passenger, Henry Shaeffer, from Muscatine, Iowa, went ashore for medicine. In the meantime the boat left for catman's Landing on the opposite shore. leaving the passenger behind, who employed a man named Hicks, to take him to the boat ma skiff. They started, when a storm came on, and it is supposed that both were drown d. and the skiff was found three miles below Slew Island, bottom upwards.

THE BEQUEST TO QUEEN VICTORIA .- It was sta ted, some time since, that a man, named John Naeld, who died in England last year, had left a will bequeathing all his propercty, worth £250,000 to Queen Victoria. The validity of the will, we notice by late London papers, has been duly con and to sirmed, according to law, without opposition.

MURDER IN LOUISA .- We learn, says the Richnond Dispatch, from the Charlottesville Advocate that the body of Richard Williams, of Orange county, was found in the South Anna River in Louisa county several days since, bearing the marks of violence, and bound with strong cords. He being evidently murdered, the persons in the neighbor hood set about hunting up proofs as to the manne of his death, and finally suspicion rested upon Capt Wm. Porter, his wife, his wife's sister, and two of hiss negro men, who were all examined and committed for trial. The committal was upon the evidence of William's wife, who is Porter's wife's sister, and who had left her husband and was iiving at Porter's at the time of the murder. Porter is a man of property and has been highly respected unt l by bad association he has fallen upon evil courses. Williams was a poor laboring man .-The neighborhood where the murder was committed is provebial for integrity and a love of law and order, and a great excitement was produced by the

SERIOUS ALTERCATION AT THE UNIVERSITY O VIRGINIA .- We are informed (says the Richmond Dispatch,) that an altercation of a serious nature occurred at Mr. Brooks' boarding house, near the University, Charlottesville on Tuesday afternoon last, between Messrs. J. S, Mosby & G. W. Turpin, students at the University. The latter received a pistol ball in the neck, which passed be tween the jugular vein and some large artery, and lodged in the back of the head. The wound is severe, but the attending physician does not consider it fatal, Mr. Mosby was committed to await an examination. Both the young gentleman are from Albermarle county. We have not learned the circumstances which led to the unhappy offair.

BANK OF EAST TENNESSEE.—The Knoxville Reg. ister, of the 26th, states that a run had been made upon this Bank, and that thus far she has redeem ed her notes in gold and silver; but how long it will continue to do so the editors of the Register cannot say. The failure of Mr. Chittenden, the owner of the greater portion of the stock, has left the Bank in a very percarious condition. It is asserted that the Bank will meet every dollar of its liabilities, as long as it has any means.

The Pittsburgh Journal of yesterday says in is informed by telegraphic reports from the Legislature of Pennsylvania, that the Senate has passed a bill authorizing county subscriptions to the Connellsville Railroad, and authorizing that company to borrow money.

A bill also passed the Senate authorizing the Pittsburgh & Steubenville Railroad Company to subscribe towards constructing a road in adjoining counties of Virginia.

A BLOOMER .- The editor of the Buffalo Express met a real live Bloomer on Main street, the other morning. She was clad, not in the fanciful garb of flowing trousers, such as grace the ladies of the Seraglio, but in genone, bona-fide breeches of dark blue color. The remainder of her toilet consisted, as far as we could see, of a very short dress, bonnet, and an umbrella.

Cairo (in the United States, not Egypt) is a town in Illinois, at the junction of the Mississippi and Ohio rivers. We see it stated that seven hundred hands are at work, raising and widening the levee at that place, for its protection agains inundation. These levees, it is said, will be rais ed 12 feet above the point reached by the flood in 1844, and eighty feet wide on the tops.

A play called "General Frank Pierce, or the Hero of the 9th Regiment," is having a great run at the New Bedford Theatre.—Ex. LTWe thought that Frank Pierce had a run i November last, great enough for any one man.

Many newspapers throughout the country are announcing the contemplated marriage of Mrs. Mowarr with WM. F. RITCHIE, the editor of the Richmond Enquirer, and also that of Miss Julia

TIt is said that Logan, the Comedian, who lately died, was the real heir to the estates and Earldom of Downs, in Ireland. He intended to visit that country this season.

A MAD MAN.-Mr. H. B. Maxwell, of Lebanon Ky., was taken from the steamer R. H. Winslow at Memphis the other day, a raving maniac. He is a gentleman of property, and had considerable money and drafts in his possession. He went on board the boat at Baton Rouge. The captain of the boat lodged him in the Asylum,
